

**San Diego MOY Kai**  
is a taiko group composed of  
members from various taiko groups  
in San Diego.

Foster friendship  
and support among  
members.

Encourage interaction  
and communication  
within the taiko  
community.

Continuously  
improving our taiko  
playing by learning  
from one another.

MISSION

We specialize in three physically and mentally demanding taiko styles—Miyake, Odaiko, and Yatai—drawing inspiration from traditional festival rhythms and compositions by taiko masters. At the same time, we adapt these styles to reflect the individual physiques, personalities, and intentions of each member, resulting in a distinctive sound. Each member has their own personal approach and unique style of playing taiko, creating opportunities for mutual learning.

Our goal is to create a sound that represents MOY Kai while celebrating the individuality of each player. We aim to play in harmony as a group, offering our own interpretations of traditional festival taiko music.
